

Angelo Melpignano Associate

Angelo Melpignano assists private clients and public administrations both in and out of court with the genesis, pursuit and conclusion of complex relations between the citizen (private individuals and businesses) and the public administration.

In the vast universe of Administrative Law, Angelo has accrued a wealth of experience in the fields of public tenders, town planning, construction, environment, energy, expropriations, trade, telecommunications, medical, pharmaceutical and university.

After graduating in law and obtaining a *diploma* from the Specialisation school of legal professions, Angelo accrued extensive, important experience with leading law firms specialised in administrative law, joining Nunziante Magrone in 2024.

Publications:

2019 Co-author of the Legal Guide to Health Law (IPSOA edition).
